Winnebago Cooperative Telecom Association

Vol. 61, No. 8 August 2015

Harvest Time is Just Around the Corner

August may be the dog days of summer but harvest season is just around the corner. It seems technology plays an ever-increasing role for farmers. One growing trend is having Internet connectivity at bin sites for grain dryers and other monitoring equipment. And at WCTA, we're well equipped to deliver that connection.

If the location in question is one where you have had Internet service before, chances are that we will be able to accommodate your request in our normal 7-10 day service window.

However, if the location is new or there have been equipment changes at the location, please allow enough time for a WCTA technician to assess the situation and determine what is needed. In some cases a new fiber drop may be needed to provide service. (852-2240)

And what about the cost? The short answer is: It depends. Each scenario is different so the monthly costs and constructions costs can vary depending on what the property owner is asking for.

So, if you need an Internet connection at your bin site give WCTA a call. And please remember to allow a reasonable amount of time for the work to be completed.

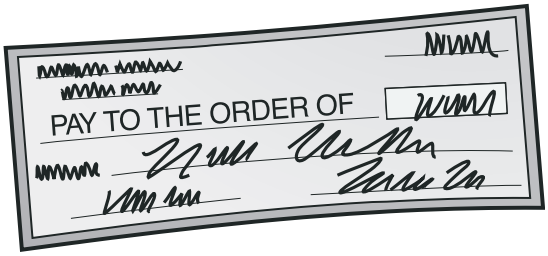
Annual Meeting set for September 24th

The 2015 Annual Meeting of the Winnebago Cooperative Telecom Association is set for Thursday, September 24th, in the Lake Mills High School Gym.

The Annual Report will be included with the September billing. The mail ballot and prize cards are being sent as a separate mailing in early September. (926-5398)

This year's entertainment will feature two separate groups from the Forest City High School Band and Chorus. Watch for more details in the Annual Report.

Uncashed Checks Listing



WCTA is including a list of uncashed checks with the July and August billings. Last names beginning with A-N were included with the July billing. Last names beginning with O-Z are included with the August billing. (562-2500)

Both sets of inserts can also be found on the WCTA homepage (www.wctatel.net). Look for the Dial Tone link on the left side of the screen. The inserts are included with the July and August Dial Tone files.

If you or someone you know is listed, please contact our business office at 1-800-592-6105 or complete the form attached to the listings.

2014 Deferred Patronage Dividend Allocation Notices

The 2014 deferred dividend allocation **notices** are scheduled to be mailed in the next few weeks.

WCTA allocates deferred dividends based on services provided to our customers. Some of the services included in the allocation are local telephone service, cable TV service, Internet access, long distance charges, and telecommunication equipment purchases. (265-3261)

For long distance information, WCTA receives minutes of use records by directory number from Iowa Network Services and Onvoy. This information lists your long distance usage by the various long distance companies. These records allow the Cooperative to allocate deferred dividends to you, regardless of your long distance service.

Work Begins on 2016 Directory

Business Customers

Directory sales representatives will start contacting area businesses later this month for white and yellow page advertisements in the 2016 WCTA Directory.

WCTA authorizes only Pinnacle salespeople to sell directory advertising. Please request proper identification to eliminate confusion with salespersons soliciting ads for other directories in the area.

If your business or organization is not contacted, please call our business office at 1-800-592-6105, or Pinnacle Publishing at 1-800-343-8086.

Residential Customers

If you would like to make a listing change in the 2016 WCTA Directory, please contact the WCTA business office at 1-800-592-6105. The usual charge to make a listing change is being temporarily waived. (297-5518)

IMPORTANT NOTICE
ANNUAL MEETING PROCEDURE

In order to comply with requirements of the Rural Utilities Service, we are herein providing a summary of the Cooperative's Bylaws pertaining to annual meetings, memberships, and election procedures.

- The Cooperative's annual meeting shall be held between March 1 and November 1 each year on a date to be determined by the Board of Directors. (797-2304)
- Notices shall be sent to members prior to the meeting.
- Each member shall be entitled to vote on each matter submitted to the meeting.
- All questions shall be decided by majority vote of those present or represented by mail.
- Directors shall be elected to 3-year terms by and from the membership of the Cooperative.
- It is the duty of the Board of Directors to appoint, not less than 30 days nor more than 45 days before the annual meeting date at which directors are to be elected, a committee on nominations, consisting of not less than 5 nor more than 11 members.

The Cooperative's Bylaws, as amended, are printed in the front portion of your telephone directory.
